DOINGS IN THE COURTS.

A LIGHT CIVIL DOCKET AND FEW OFFENDERS HAULED BEFORE THE BAR IN THE ABSENCE OF POLICE JUSTICE TAYLOR.

The absence from the city of Police Justice Taylor may or may not have been responsible for the fact that there wasn't a great deal doing in the Police Court yesterday, and his substitute, Justice Dalton, had a comparatively easy time of it. The dockets in the civil courts were correspondingly light.

LAW AND CHANCERY.

Mrs. Mary E. Samuel, executrix of John J. Samuel and Richard J. Alfriend, has begun suit in assumpsit in the sum of \$500 against John H. Pierce and C. A. Nash. Messrs. Loyall & Taylor appear for the plaintiff.

CORPORATION COURT.

Three charters were granted in the Corporation Court by Judge Hanckel yesterday.

The Supreme Grand Tent of the Improved Order of Knights of the Maccabees of the Eastern and Western Hemispheres was chartered with the following officers: Luke Peaks, supreme commander; John H. Robinson, lieutenant-commander; Charles H. Robinson, supreme record keeper; Jacob Spencer, supreme finance keeper; James H. Ash, of Portsmouth, supreme sergeant.

With a capital of \$100,000 the R. W. Whitehurst Company was chartered, the purpose of the concern being the manufacture of agricultural implements. The officers named were: R. W. Whitehurst, president and treasurer; John B. Sanford, of Baltimore, vice-president; and E. K. Bonney, secretary. W. H. H. Trice and George M. Guild are named as members of the board of directors in addition to the officers already named.

A charter was also granted to the Mutual Fidelity Company, of Wilmington, Del.

LAW AND CHANCERY COURT.

J. S. McSorley was awarded a verdict in the Court of Law and Chancery in the sum of \$159.50 against P. A. Paulson.

The administrator of C. H. Duxbury, Mr. P. J. Morris, secured a verdict against L. S. Allen for \$400.

UNITED STATES COURT.

The charge of stealing brass from Port Norfolk, preferred against Henry Nelson, was tried before United States Commissioner Ralph H. Riddleberger yesterday, and in the absence of what the commissioner considered satisfactory evidence the case was dismissed.

Joe Miller, the night clerk in the post-office who was sentenced by Judge Vaddill, in the United States Court, to serve eighteen months, was yesterday taken to the penitentiary at Moundsville, Va., by United States Deputy Marshal U. M. Bland.

The ex-mayor of Oxford, N. C., who will serve six months in the Mecklenburg county jail for dallying with "moonshine," was also taken to his new abode.

IN THE POLICE COURT.

Police Justice Taylor was absent from the city yesterday and Justice Dalton donned the ermine. The docket was not particularly heavy and the judicial acumen of his honor was not subjected to any severe test.

The sentence of three months imposed on Willie Haywood, the negro driver employed by the Codman Wholesale Grocery Company, who was charged with stealing a quantity of provisions, among them certain quantities of lard, bacon, etc., was not relished and he filed an appeal. Mary Holmes, on whose premises some of the goods were found and where Haywood made his home, was discharged. The bail was fixed at \$250.

Justice Dalton, after hearing the statement of Attorney James F. Duncan on behalf of the old negro, C. G. Henderson, who is charged with assault on 9-year-old Mary Cottrell, concluded that it was a matter with which the grand jury could best deal, and accordingly held him for the action of that body.

A couple of stowaways on the Baltimore boat—C. M. Kelly and Howard Shalzer—were, at the instance of Justice Dalton, re-embarked, as their presence in Norfolk was not deemed advisable.

THE OLD CHESAPEAKE.

STATE BOARD OF FISHERIES MAY ORDER THE OLD VIRGINIA MAN-OF-WAR SOLD.

One of the acts of the State Board of Fisheries at its session in Richmond will probably be the issuance of an order for the sale of the oyster gunboat Chesapeake, the old Virginia man-of-war that has for many years vigilantly guarded the oyster beds of this State from the depredations of oyster pirates from other States.

It is believed that a light vessel of less draft will be more serviceable for this purpose, a vessel that can go up into the shallows where the oyster sloops often find safety on account of the inability of the Chesapeake to pursue them there. The Chesapeake is also much in need of repairs, and it is roughly estimated that the cost of the necessary repairs would almost equal the cost of a new, light draft boat that would more perfectly meet present requirements.

If the Chesapeake is to be continued in service she will need a new boiler and other repairs. If she is retired from her present service she will still be of value as a freight carrier or for other uses.

Many a time in her days of labor have the cannon of the Chesapeake barked out at depredators, and often have their shot fired over the bows of piratical craft caused them to halt and surrender.

Hundreds of Children are Made Deaf by Catarrh! Here's a Case in Point.

CATARRH IN CHILDREN generally assumes the ADENOID type characterized by SNOZING WHEN ASLEEP, COLD, BREATHING THROUGH THE MOUTH WHEN ASLEEP, &c. It is an extremely frequent cause of ear troubles but can be readily cured by proper treatment.

Our little girl had become VERY DEAF IN BOTH EARS SO THAT WE HAD TO SPEAK TO HER VERY LOUD TO MAKE HER UNDERSTAND. She was quite pale, suffered with sore throat trouble and had an eczematous eruption in her ears. DR. FIREY'S TREATMENT RAPIDLY CURED HER.
